Traditional dining features seasonal menus with a variety of entree selections. Complement your meal with a wide selection of beverages, including beer, wine, spirits (the first one is on us). Be sure to leave room for dessert — there's something to satisfy every sweet tooth. In addition to Amtrak's regular menu, kids can order all their favorites onboard.

Café service is also available to all customers along these routes, offering a variety of meals, snacks and beverages for sale.

Making Reservations

Customers on routes with traditional dining service can make reservations for lunch and dinner — served in the Dining Car or by complimentary in-room service.
